# Three enablers

## **Streamlined, Effective Governance**

- Move from working Board to governing/ oversight board, with clear sub-committees and decision-making

## **Strong Relationships**

- Build partnerships with other physician groups in Ontario and beyond to learn from each other and strengthen shared impact
- Create reciprocal relationships with our funders to continue to build value for our work
- Build relationships with potential allies (e.g, Raptors) who could be funding or program partners

## **Financial Sustainability**

- Continue to strengthen financial systems and accountability
- Explore value of gaining charitable status
